LICL e-blast – serving Nassau/Suffolk pro-life advocates.

LICL e-blast is additional information to *Life News*.

Dear Defenders of Life:

VISIBILITY MATTERS!

“Neither snow nor rain nor heat nor gloom of night” can keep Pro-Lifers home! This past week over 35 Long Islanders boarded a bus to Albany (first pick up at 4:45 AM) to voice outrage that the 10-point “Women's Equality Act” was passed by the NYS Assembly on 1/27/14. The bill includes the controversial late-term abortion expansion language that derailed the same bill in 2013, and it supports unfettered access to abortion for any reason at **ANY** and **ALL** stages of pregnancy. This bill would also allow non-physicians to perform abortions on women and girls throughout nine months of pregnancy. The 2014 LICL petition drive against abortion expansion in NYS is on. Download petition from prolifeli.org.

We need to remind Governor Cuomo and our elected officials that we do not want **MORE** abortion. **NOW** is time! Visibility Matters! Please join us. Let your voice be heard!
