LICL e-blast - serving Nassau/Suffolk pro-life advocates.
 LICL e-blast is additional information to *Life News*.

Dear Defenders of Life:

The large attendance on July 3 in Manorville bearing public witness to the humanity of pre-born children is appreciated. Thank you one and all!

But your presence is needed now more than ever!

PUBLIC AWARENESS Event About PLANNED PARENTHOOD

The research group that tied Planned Parenthood to the sale of aborted babies' body parts just released another investigative video which shows a woman identified as a senior Planned Parenthood official callously haggling with undercover investigators over prices for aborted baby body parts. Planned Parenthood is haggling over prices of baby body parts because the abortion chain kills 325,000+ innocent children in the womb annually - almost 900 every day. Please join us as we expose Planned Parenthood's dark side.

SUNDAY, JULY 26 4:30 to 7:30PM
(come for all or part of the time)
Sunken Meadow State Park, Kings Park
(at the end of Sunken Meadow Pkwy.)
Rain or Shine!

Suffolk County's Planned Parenthood is holding a 'Wine & Craft Beer Tasting' fundraiser.

- Pro-lifers will use signs to silently educate about Planned Parenthood's abortion agenda.
- We stand against the fundraising of this abortion business that discards precious unborn lives through medical and surgical abortions throughout Suffolk County.
- We'll be outside Field 2 (near the end of the road into the park; park in the main lot, Field 1).
- Signs will be provided. Do not use graphic abortion pictures at this event. Do not bring signs onto the boardwalk.
- Park entry fee may be required. (Save money by carpooling.)
- Sponsored by Long Island Coalition for Life (631-243-1435; info@prolifeLI.org). Feel free to **pass this along**, particularly to those who live near the event and to young people looking to defend life. **Thank you for whatever you are able to do for this just and critical cause.**

Can you spare an hour once a month?

Planned Parenthood of Nassau County has 'clinics' in Hempstead, Massapequa and Glen Cove. Planned Parenthood of Hudson-Peconic's Suffolk facilities are in Huntington, Patchogue, Riverhead, Smithtown, and West Islip. Some of these facilities have a meager pro-life presence once a week. Some have no pro-life presence, no pro-lifer to pray for the baby dying or the mother and families deciding about abortion. You can be that pro-life presence holding a sign offering help or showing the graphic reality of abortion.

The LICL Educational Trust had aerial banners fly over Jones Beach and other beaches on Long Island on Fourth of July weekend as well as having another banner placed on the fence of the athletic field at St. John the Baptist High School. See photos below.
