LICL e-blast - serving Nassau/Suffolk pro-life advocates.
LICL e-blast is additional information to Life News.

Dear Defenders of Life:

As the weather turns warm, (finally!) and we start to enjoy the pleasures of summer, let's not forget the thousands of babies that are aborted daily, or their mothers who "choose" this act of violence. Lest we become disheartened, however, know that our visibility, witness and education on behalf of the unborn is making a difference! Abortions have decreased by approximately 20% since 2004. But our work is far from complete. We need you to join us as we work to save lives!

SATURDAY, JUNE 24, 2017, 10:00 AM to 2:00 PM
PRO-LIFE APOLOGETICS TRAINING
American Legion Hall, Islip.

"Many people who oppose abortion are hesitant to do so publicly. The media has re-framed the issue of abortion and made it one facet of a so-called 'war on women.' Since no one wants to go to war against half of the electorate, politicians might choose to say nothing about abortion.... Students are worried their friends or college professors will think they are some kind of fanatic who wants to impose their opposition to abortion on everyone else by making it illegal. And regular people are scared that if they mention the 'A-word' in mixed company it will ignite a shouting match with coworkers, friends, and even their family members.... The goal is to teach pro-life advocates how to talk about abortion in ways that inspire confidence in the truth of the pro-life position." From the Introduction of "Persuasive Pro-Life" by Trent Horn

Hear Trent Horn in person and learn how to be a more effective advocate for life!

Trent presents the non-religious reasons to oppose abortion and how to graciously make the pro-life case. This presentation will help you be more comfortable in discussing abortion one-on-one with friends and family or in a class or social group. Bring a friend! Teens & young adults are encouraged to attend. No admission charge. Light refreshments. Sponsored by the LI Coalition for Life Educational Trust: 631-243-1435; info@PROLIFELI.org. Directions: 39 Nassau Ave.- behind Islip Town Hall, off NY 27A. Municipal parking east side of Town Hall. Walk through an adjacent parking lot to rear entrance of hall.

SATURDAY JULY 1, 2017, from 10:00 to 11:30AM
PRE-INDEPENDENCE DAY FACE THE TRUTH PRO-LIFE EVENT
Location: Manorville - LIE Exit 70S, County Rd. 111

Amendment 1 of the U.S. Constitution: "Congress shall make no law...abridging ... the right of the people peaceably to assemble..." Educating through public outreach is not only a right of U.S. citizens, but for pro-lifers it is an important way to give witness to the truth and to stand up for the unalienable Right to Life of each person - including the right of the unborn to be born." We stand with signs on the public sidewalk in a peaceful vigil. Signs provided (or bring your own). Rain or shine. Pro-lifers are asked to participate as a visible sign against the status quo of legal abortion. Sponsored by Long Island Coalition for Life: 631-243-1435, info@prolifeLI.org.

NOTE: Time change: Beginning in July our monthly General Meetings will begin at 7:00 PM. Please join us each month as we share what is going on in the pro-life community, educate our members, give legislative updates, etc. There is also a time for all members and guests to make any special announcements they may have! Hope to see you soon!
