**LICL e-blast - serving Nassau/Suffolk pro-life advocates.  
LICL e-blast is additional information to *Life News*.**

### **Dear Defenders of Life:**

**As the recent 40 Days for Life campaign came to an end in towns and cities across the country and around the world, we have reports of 546 babies saved from abortion - that we know of! And keep in mind that these aren't just numbers. That's 546 individual human beings ... and their moms ... and their dads ... and grandparents, brothers, sisters, aunts, uncles, cousins. Each time a mother says "yes" to life, the impact is profound. Thank you to all who gave up an hour or more to stand up for life!**

**The Feb. 7th presentation, from 11 AM - 2:30 PM, will now be called the "Denial of Treatment" Seminar.** At first the LICL advertised our 2/7/2015 seminar as a presentation on "End-of-Life" issues. However, Burke Balch, J.D., director of NRTL's Robert Powell Center for Medical Ethics and our guest speaker for the 2/7 event, warned us that 2015 legislative efforts could include denial of treatment to persons of any age. Please join us to learn more about these important issues. His talk will be held in the downstairs meeting room of our Lady of Mercy Church, 500 South Oyster Bay Rd., Hicksville 11801 (approx. 2 miles S of the L.I.E. and the N.S. Pkwy.). Please mark your 2015 calendar, publicize the event, and attend to learn your rights, the rights of those in your care, and the pro-life response to possible problematic legislation. Please bring bag lunch. Beverages and snacks provided. See Jan./Feb. 2015 issue of *Life News* for additional information. Call 631-588-0168 to say you plan to attend.

**Wed. Nov. 12,** Frank J. Russo, Jr., President of the American Family Association of NY called, complimenting LICL on the broadcast of the 2013 LICL-Educational Trust Oratory Contest aired the previous evening on Verizon Public Access TV. He was awestruck by the eight high school students presenting their pro-life message. He praised their passionate delivery and the content of the speeches. DVD's of the 2009, 2012, 2013 and 2014 Annual Oratory Contest are shown on Cablevision and Verizon Public Access channels as part of the LICL "*Life Issues*" weekly series to run through Sept. 2015 on Cablevision Channel 20 at 9 PM in Nassau and Suffolk, and on Verizon Channel 40 on Tues. at 9PM. Check it out and be inspired!

We thank Frank and remind all that AFA now produces two weekly pro-life/pro-family programs: the original "*NYS's AFA Programs*" on Cablevision Channel 20 in Nassau and Western Suffolk on Mon. 8 PM, in Central Suffolk on Sat. 8 PM and Riverhead on Thur. 8 PM; on Verizon Channel 40 Mon. at 8 PM; and, the AFA's more recent venture, "*Contemporary Social Issues*" is shown on Cablevision Channel 20 in Nassau and Western and Central Suffolk on Sat. 9 PM; and on Verizon Channel 40 Mon. at 9 PM.
