**LICL e-blast - serving Nassau/Suffolk pro-life advocates.**  
**LICL e-blast is additional information to *Life News*.**

**Dear Defenders of Life:**

It is with sadness that we tell you about the passing on of our dear friend **Marie Mawn**. Following is part of the fine tribute George Frost, Chairman of the LICL, wrote about Marie. You can read the full text in the October 2015 issue of Life News.

**"If there were such a thing as the pro-life Hall of Fame, Marie certainly belongs in it. She was a tireless and courageous worker for the pro-life cause, starting with her Respect Life Committee in her own parish. Her pro-life efforts extended to being editor of the Long Island Coalition for Life newsletter, Life News, organizing lobby trips to Albany to support pro-life legislation and oppose anti-life bills. She was one of the original driving forces behind the annual March for Life in Washington, D.C., a co-founder of our Stand Up For Life, a creator of the LICL monthly E-Blasts and other pro-life activities too numerous to mention."**

Marie will always be missed but we will try our best, with the help of her family, to continue the legacy she left.

**Thank you** all for the enthusiastic response we've been receiving to the events posted in E-blast. With the mid-term elections coming up it is more important than ever to be visible and to be a constant reminder of the sacredness of life. We should and must judge candidates based on their position on abortion. It truly is a matter of life or death!

**Join us for the 18th Annual Stand Up For Life Sunday, October 4, 2015, 2:00-3:30 PM** (rain or shine). At two locations: along Route 110 and Route 25 Huntington, LI and Stand Up For Life East - LIE, Exit 70S, Cty. Rd. 111 Manorville. Signs will be provided. No graphic signs.

If you are new to the pro-life movement this is an excellent opportunity to come join us. The stand up for life is a peaceful chance for you and your family to show your commitment to the unborn. If you have been an Active pro-lifer for years, pass this email along as an invitation to friends, family, children and grandchildren... Everyone can make a difference.

The nationwide protests against the Planned Parenthood organization have been well attended. The protests have awakened millions across the country to the true nature of this "health" organization that makes money from killing unborn babies. #ProtestPP is a coalition of state and national pro-life groups calling for public protest in response to the recent horrifying revelations that Planned Parenthood has allegedly been involved in the illicit trafficking of aborted babies' body parts.

On **Saturday, October 10, 2015**, pro-lifers will once again hit the streets and sidewalks outside the Planned Parenthood facility in Smithtown, 70 Maple Avenue, Smithtown 11787. Time: 9:00-11:00 a.m. Check out protestpp.com for more information. The sponsors of #ProtestPP are Citizens for a Pro-Life Society, Created Equal and the Pro-Life Action League. **NOTE:** There is a witness outside of the PP facility in Smithtown every Wed. & Sat. from 7:30-10:30 PM.
