LICL e-blast - serving Nassau/Suffolk pro-life advocates.
LICL e-blast is additional information to *Life News*.

Dear Defenders of Life:

Summer has officially arrived and the Long Island Coalition for Life welcomes your participation in spreading the pro-life message. **Our prayers are working!** Read the welcome news about the nationwide decline in abortions in the July/August issue of *Life News*. The decline has been attributed, among other things, to the proliferation of the pro-life message and the work of pregnancy resource centers offering help to both mother and child.

The banners are ready! Our first flyovers of the season will occur on July 3rd, 4th, and 5th, weather permitting. The LI Coalition for Life Educational Trust will once again be spreading the pro-life message with banners flown across beaches on Long Island's North and South shore. If you see our banner, please e-mail us at info@prolifeLI.org with day, time & location.

We need you! Please join us for the following events:

Face the Truth - a Pre-Independence Day Event

LIE x 70S & Cty. Rd.111, Manorville 11949. Witness on west side only. Signs provided: 1st block south of LIE and 1/2 mile south at light. Rain o Shine. Sponsored by: LICL 631-243-1435.

VISIBILITY MATTERS!

Public Awareness about Planned Parenthood

Sunday, July 26, 2015 from 4:30-7:30 PM

(come for all or part of the time)

Pro-lifers, with our signs, will silently educate those attending Suffolk County Planned Parenthood's 'Wine & Craft Beer Tasting' fundraiser at Sunken Meadow State Park, Kings Park.

We defend the right-to-life of the unborn by this public witnessing to the fact that the Planned Parenthood network of organizations is the largest abortion provider in the United States. We will stand outside Field 2, which is at the end of the roadway into the park and across from the main parking lot (Field 1). Signs will be provided. Please **do not** use graphic abortion pictures at this event and **do not** bring signs onto the boardwalk. Sponsored by LICL 631-243-1435; info@prolifeLI.org.

Southampton - Your pro-life presence is needed at a weekly event in Southampton where pro-life advocates on the south fork of Long Island have been steadfast in proclaiming the life message. This witness is held on **Fridays**, from **11:30 AM to 12:30 PM** at 595 Hampton Road in front of the Southampton OB/GYN office. For more information call 631-807-6001 or just show up that day. **All are welcome and encouraged** to join in Southampton or at any other Nassau and/or Suffolk site listed on Page 5 of *Life News*.

Again: **VISIBILITY MATTERS.**
