LICL e-blast - serving Nassau/Suffolk pro-life advocates.

LICL e-blast is additional information to Life News.

Dear Defenders of Life:

We asked and you answered! Last month's E-blast asked you to come down on October 10 to join the witness outside the Smithtown Planned Parenthood that is held each Saturday. Many of you joined the faithful regulars and were rewarded with the experience of helping to save two lives!

#ProtestPP event, 10/10/15 Smithtown, NY

A young couple came to Planned Parenthood with the intention of having an abortion, but after they saw the sonogram results, they discovered that there was not just one baby, but two! They could not go through with the abortion, so they left and told the crowd that was outside

praying for them that they had decided to choose life for their twins. Everyone - the couple, and all the assembled pro-lifers-cried tears of joy together.

On October 4 over 600 Pro-Lifers of all ages joined together to Stand Up for Life. The response from the crowd passing by was overwhelmingly positive.

How can you help show your support for life this month?

Each week, pro-lifers offer a **PRAYERFUL PRESENCE** at many abortion provider/referral sites across Long Island. Your presence, if even for 30 minutes a month, is important and could result in saving lives, like those listed above. Here are a few of the sites we need your help at. To volunteer, speak with the contact person before going to the site. **Never witness alone!** See *Life News* for a complete listing:
