“Our two political parties represent two radically different visions of the nation and its future, two different understandings of the role of government, two very different ways of reading the U.S. Constitution and even two different moralities.”

R. Albert Mohler, Jr., *Decision Magazine*, October 2020

A Comparison of the 2020 Republican and Democratic Platforms.

A non-partisan guide on issues of concern to pro-life voters. This table was adapted from Priests for Life.

REPUBLICAN PLATFORM	ISSUE	DEMOCRATIC PLATFORM
<p>“The Constitution’s guarantee that no one can ‘be deprived of life, liberty or property’ deliberately echoes the Declaration of Independence’s proclamation that ‘all’ are “endowed by their Creator” with the inalienable right to life. Accordingly, we assert the sanctity of human life and affirm that the unborn child has a fundamental right to life which cannot be infringed. We support a human life amendment to the Constitution and legislation to make clear that the Fourteenth Amendment’s protections apply to children before birth.” (p.13)</p>	<p>Human Life</p>	<p>“Democrats believe every woman should be able to access ... abortion. We oppose and will fight to overturn federal and state laws that create barriers to women’s reproductive health and rights, including by repealing the Hyde Amendment and protecting and codifying the right to reproductive freedom.” (p. 42)</p>
<p>“We oppose the use of public funds to perform or promote abortion or to fund organizations, like Planned Parenthood, so long as they provide or refer for elective abortions or sell fetal body parts rather than provide healthcare.” (p.13)</p>	<p>Planned Parenthood</p>	<p>“We will repeal the Title X domestic gag rule and restore federal funding for Planned Parenthood..” (p.32)</p>
<p>“We support the appointment of judges who respect traditional family values and the sanctity of innocent human life.” (p.13)</p>	<p>Judges</p>	<p>“We will appoint U.S. Supreme Court justices and federal judges who look like America ... and will respect and enforce foundational precedents, including ... Roe v. Wade.” (p. 39)</p>
<p>“We renew our call for replacing “family planning” programs for teens with sexual risk avoidance education that sets abstinence until marriage as the responsible and respected standard of behavior.” (p. 34)</p>	<p>Sex Education</p>	<p>“We recognize that quality, affordable comprehensive health care; medically accurate, LGBTQ+ inclusive, age-appropriate sex education; and the full range of family planning services are all essential to ensuring that people can decide if, when and how to start a family.” (p. 32)</p>
<p>“The integrity of our country’s foreign assistance program has been compromised by the .. Obama Administration’s attempt to impose on foreign recipients, especially the peoples of Africa, its own radical social agenda while excluding faith-based groups — the sector with the best track record in promoting development — because they will not conform to that agenda. We pledge to reverse this course...” (p.52)</p>	<p>Foreign Assistance</p>	<p>“We will support the repeal of the global gag rule (also known as the Mexico City Policy) and measures like the Helms Amendment, which limit safe access to abortion. We will also restore and expand American contributions to the United Nations Population Fund.” (pp. 82-83)</p>

Van Helmond - Only if individual requested this as his/her right.

Lavine - I do not seek nor want your endorsement

Zacchea - Will vote Yes (to curb abortions), but with regret, since I see consent laws as allowing someone to give permission for abortion.

WHERE PRESIDENTIAL CANDIDATES STAND ON ABORTION?

ISSUES	PRES. DONALD TRUMP	JOE BIDEN
ABORTION ON DEMAND: The 1973 Roe v. Wade and Doe v. Bolton Supreme Court decisions legalized abortion on demand throughout the United States. There have been more than 61 million abortions since then.	As president he has appointed pro-life advocates in his cabinet and administration, restored the “Mexico City Policy,” and he has pledged to veto any legislation that weakens current pro-life federal policies and laws, or that encourages the destruction of innocent human life	Supports the current policy of abortion on demand. Joe Biden voted for the Harkin Amendment to endorse Roe v. Wade, which allows abortion for any reason. Joe Biden supports the Democratic platform of unlimited abortion even through birth.
THE PAIN-CAPABLE UNBORN CHILD PROTECTION ACT: The Pain-Capable Unborn Child Protection Act would prohibit abortions after the unborn child is capable of feeling pain from abortion.	In his 2019 State of the Union speech, President Donald Trump called on Congress to “pass legislation to prohibit the late-term abortion of children who can feel pain in the mother’s womb.”	When asked about prohibiting abortions after 20 weeks when the unborn child can feel pain, Joe Biden said, “I’m not going to interfere with that,” which would allow abortion through birth.
NOMINATIONS TO THE U.S. SUPREME COURT: The fundamental documents of American democracy and freedom, the Constitution and the Declaration of Independence, have given us essential principles to be respected by the courts such as the “unalienable” right to life. The next president may have the opportunity to appoint one to three justices to the U.S. Supreme Court.	Donald Trump has appointed Neil Gorsuch and Brett Kavanaugh to the U.S. Supreme Court. These appointments are consistent with the belief that federal courts should enforce rights truly based on the text and history of the Constitution.	Joe Biden pledges that his judicial nominees would “support the right of privacy, on which the entire notion of a woman’s right to choose is based.”

VP MIKE PENCE REPUBLICAN	KAMALA HARRIS (VP CANDIDATE-DEM.)
Mike Pence had a solid pro-life voting record on abortion during 12 years in the U.S. House and as governor of Indiana, Mike Pence championed many pro-life measures. During the VP Debate, he said, “I’m pro-life. I don’t apologize for it.”	Kamala Harris has a 100 percent pro-abortion voting record. She opposed legislation to protect late-term unborn babies from abortion & newborns from infanticide. She was a vocal opponent of the Pain-Capable Unborn Child Protection Act and believes in a woman’s “right to choose.”

November is National Adoption Month

It is also the month of Thanksgiving. Thank you to all those who chose life but because of circumstances couldn't raise their child(ren) themselves. And, thank you to all adoptive parents for opening their hearts and their homes to these children.

Currently doctor-prescribed suicide is

legal in Oregon, Washington, Vermont, Montana, California, Colorado, Hawaii, New Jersey, Maine and the District of Columbia. Wesley J. Smith recently reflected on the assisted suicide death of Jack Sorenson in Canada. His wife sought unsuccessfully to prevent his death. After 48 years of marriage he moved out of their home. She learned of his death when the funeral home called her. Smith commented, "the Canadian government is set to expand the killable categories of people who can qualify for euthanasia by deleting any reference to being terminally ill. Once euthanasia is legalized, being dead becomes the imperative rather than preserving life and preventing suicide of the sick. As Canadian journalist Andrew Coyne once wrote, "A society that believes in nothing can offer no argument even against death. A culture that has lost its faith in life cannot comprehend why it should be endured." For those who think it can't happen here, Canada is our closest cultural cousin."
